Customer art inside this blue outline

All your bottle labels are hand applied, inventoried and delivered by **DISABLED America's Special Angels Program.**

Pure Mountain Spring Water 0.5 LITERS (16.9 FL. OZ.)

The 2" x 7" green outline shows the finished label area. The blue outline is the area available for customer art. The red outline is the bleed. Keep all art at least 1/8" away from the trim edge and the other items on the label.

All art must be *CMYK*. *RGB* art will be converted to *CMYK* before printing, and may change color when converted.

Photoshop/raster art must be at least 300dpi and saved as .TIF, .PNG or .PSD.

Do NOT put any art on the Dieline or Outline layers. Everything on those layers will be deleted when the file goes to press.

All art should be saved as .AI, .PDF, .EPS, .TIF or .PSD files. Other file formats may not be usable.
